

# Fall 2016 Community Priorities Grants

The Community Foundation is proud to support 28 southwestern Alberta organizations with \$200,400 in project grants from the Community Priorities Fund. Many generous donors have given together to create this fund so that it can support the diverse needs of our community.

## Special thanks to:

The Lethbridge Auto Dealer Association (LADA) is supporting eight projects for a total of \$12,500. These projects are marked with a \* below, with the amount funded by LADA in brackets.
