

## **Projects funded by the Youth in Action Granting Program, 2019**

### **Canadian Bhutanese Society**

**Project:** Youth recreation, \$2,000

To connect newcomers to Canada with opportunities to socialize with others through sports.

### **Cardston Junior High School**

**Project:** Bat and bird boxes, \$2,000: To build shelter boxes for bats and mountain bluebirds, encouraging habitat establishment for species that are important to the biodiversity of Southwestern Alberta.

### **Carmangay & District Municipal Library**

**Project:** Library technology project, \$600

To purchase a tablet for use by library patrons.

### **Coalhurst High School**

**Project:** Coalhurst High School STEM Club, \$1,600

For the establishment of a STEM Club, offering students opportunities to explore topics in science, technology, engineering, and math beyond the existing curricula.

### **Kainai Basketball Association**

**Project:** Youth basketball program, \$2,000

To purchase basketball gear and equipment for the newly-established basketball league, reducing barriers for participants.

### **The MAT Youth Centre, Lethbridge**

**Project:** Hygiene kits, \$600

To educate youth about the importance of self-care and good hygiene. The grant provides two years of funding for hygiene kit supplies, including toothpaste, toothbrushes, and deodorant.

### **Town of Coaldale**

**Project:** Dog park, \$2,000

To purchase training and agility equipment for the town's dog park.

### **Victoria Park High School Interact Club, Lethbridge**

**Project:** Blanket ceremony, \$1,000

To promote Reconciliation by holding an official Blanket Ceremony, led by a member of Lethbridge's Indigenous community.
